Dear Mr B Bones

**The Animal Welfare (Licensing of Activities Involving Animals)
(England) Regulations 2018**

Re: Little Bones
27 Greenways
Southwick
Brighton
BN42 4QJ

I refer to our recent inspection of the above premises carried out on the 11th January 2022 by the Council's Animal Licensing Inspector. I would confirm that this inspection covered both the physical inspection of the above premises and the documentation you supplied with your application form.

As a result of this inspection your premises has been awarded a 5 star rating of out of a possible 5 under The Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018. This means that your licence is issued for 36 months and will expire on 31-12-2024

Please find enclosed your licence, a copy of which must be displayed in a public-facing area of the premises such as the entrance or animal introduction area or in a home environment shown to any potential customers/purchasers.

A copy of the licence conditions, FAQs, the Risk Scoring Table and the Standards (both Required and Optional) which were used to calculate your star rating are also enclosed.

Yours Sincerely

Licensing Department
